Edición: 1ª

Sinopsis

ISBN: 9780313314636

Modern Spain is a revelation in this up-to-date overview. Stanton vibrantly describes the startling variety of landscape, people, and culture that make up Spain today. Included are a context chapter and others on religion, customs, media, cinema, literature, performing arts, and visual arts. Students of Spanish and a general audience will be rewarded with engrossing insights into what writer Ernest Hemingway called "the very best country of all." Spain is a modern European nation, yet Spaniards are fiercely tied to their individual towns and regions--with their distinct social customs, dialects or languages, foods, landscape, and lifestyles--more than to a united country. Culture and Customs of Spain conveys the extremes, such as the hard-working Catalan contrasted to the leisurely paced Castilian, coexisting in first and third world conditions, and the love/hate relationship with the Catholic Church. Spain's institutions are described, and its contributions to the world--from unparalleled literature and cuisine to flamenco and filmmaker Pedro Almodovar--are celebrated. A chronology and glossary complement the text.
