Sinopsis

ISBN: 9780750698429

The Knowledge Evolution offers a unique and powerful road map for understanding knowledge creation, learning, and performance in everyday work. Packed with the best practices from leading edge companies, essential guidelines, design principles, analogies, and conceptual frameworks, The Knowledge Evolution serves as a practical guidebook for mastering "the knowledge era". Highly recommended reading for anyone charged with managerial responsibilities and successfully competing in the business climates of the 21st century.
