Título: Moral Imagination And Character Development. Vol 1 The Imagination.

Autor: Mclean George/ Kromkowski John Precio: \$245.00

Editorial: Año: 2003

Tema: Edición: 1^a

Sinopsis ISBN: 1565181743

In this transition between the lillennia humankind experiences a series of dilemmas which, paradoxically, derive as much from its long acomplishments as from its failures. Descartes launched the modern age with the call for unified science predicated upon analytically clear and distinct ideas. Besides opening the way for the developments and discoveries of the modern mind, this created a split between spirit and matter, reflected in his fractured notion of the human person.
