Edición: 1ª

Sinopsis

ISBN: 9780826484628

Hans Georg-Gadamer is one of the foremost European philosophers of recent times. However, his ideas, the complex relationship between them, and the often opaque way they are expressed, undoubtedly pose a considerable challenge for the reader. Gadamer: A Guide for the Perplexed is the ideal text for anyone trying to get to grips with Gadamer's work. There is clear exposition and analysis of such key terms as 'fusion of horizons', 'effective historical consciousness' and 'the logic of question and answer'. The book also discusses Gadamer's influence in other areas of philosophy; the response of philosophers to his work; and criticisms on the grounds of relativism.
