**Sinopsis**

**ISBN:** 9780226493534

Upon its initial publication, many reviewers dubbed Dan C. Lortie's *Schoolteacher* the best social portrait of the profession since Willard Waller's classic *The Sociology of Teaching*. This new printing of Lortie's classic—including a new preface bringing the author's observations up to date—is an essential view into the world and culture of a vitally important profession.
