Sinopsis

ISBN: 9780912365374

This practical and informative field guide to the "gentle art of whalewatching" shows you how to observe orcas up close and understand these elusive and often misrepresented creatures of the sea. You'll find facts on the orca's lifecycle, tips on planning a whalewatching trip, maps and a sighting log. Partial proceeds from this book help support the Keiko Foundation.
