Sinopsis

ISBN: 9780486423876

The 16 boldly outlined designs in this collection--all adapted from actual stained glass works of the Arts and Crafts period--invite coloring book fans to bring life to willowy, long-stemmed blossoms; delicate water lilies, dainty primroses in a simple floral frame; a garden with a cloistered mission in the background, all surrounded by a rococo frame; and much more. Colorists simply apply felt-tip pens, crayons, pencils, or paints to each illustration and create their own stained glass work of art by placing the finished picture in a window or near another source of bright light. Dover Original. 16 full-page black-and-white illustrations printed on translucent paper. 3 full-color illustrations on covers.
