Sinopsis

ISBN: 9780486401362

Classic hands-on guide has all the information beginners as well as veteran paperfolders need to create inspired origami models. Instructions and diagrams for fashioning such simple objects as a flower, Japanese box, and church as well as more challenging projects such as a squirrel on a log, birds in a nest, a unicorn, and a fill-rigged sailing ship. Over 30 entertaining projects for origami fans of all ages and abilities.
