What makes Longman Dictionary of Contemporary English the best dictionary for your pupils.

207,000 words, phrases and meanings in the dictionary.

155,000 example sentences based on the Longman corpus.

The only dictionary to show spoken and written frequency - with the 3,000 most frequent words highlighted in red.

`Signposts' help you find the meaning you want fast.

Natural word combinations in definitions and collocation boxes show how words are used together.

The most comprehensive CD-ROM dictionary ever.
