**ISBN:** 9780674018242

Not only is it the 'authoritative' and 'definitive' edition of her complete poems, it is a gorgeous volume printed by the Belknap Press, complete with a crimson ribbon bookmark...For those who like Emily Dickinson and who want all the poems as she wrote them, unmolested by well-meaning editors and thoughtless publishers, this is the book. In one volume you can hold the closest thing to the real Dickinson that anyone will ever get.
