Updating a bathroom is one of the first projects a new homeowner takes on. And redecorating your bedroom, when you finally get around to it, is a dream come true. Both rooms can be updated simply and inexpensively. Bed & Bath provides 200 ideas to help you refresh these rooms and add your own style in a handy format that's perfect for easy flipping and then tossing into your bag to take on a shopping trip. Photos and captions are packaged in a fresh design and showcase bedrooms and bathrooms of all sizes and for all ages.
