For a full description of this text, see Becoming a Master Student, 11/e. The long-standing best seller in student success, Becoming a Master Student gives students a framework for examining their lives from a self-discovery perspective. Articles, strategies, and exercises help students understand their strengths and weaknesses, set goals, and practice academic and life skills. Designed for shorter courses, the concise version of this best-selling text offers the key elements of the complete text by combining topics, and streamlining articles and activities. The Eleventh Edition features a cleaner, more sophisticated design and a new organizational framework to help students monitor thinking and learning. Additional updates include integrated coverage of diversity, a new chapter on using technology to achieve success, and new Master Student Profiles.
