Sinopsis

ISBN: 9780618607723

Now in its tenth edition, Management continues to offer a practical, student-oriented approach to four central themes: change, diversity, ethics, and globalization. Author Robert Kreitner relies on more than 30 years of research and teaching experience to ensure that students gain a solid understanding of management principles. In addition to coverage of timely and relevant issues such as corporate responsibility, the text promotes skill development through hands-on exercises and team-building activities. With all data and examples updated to reflect current trends, the Tenth Edition integrates issues from popular culture and media, putting topics in context and engaging students. A range of pedagogical features--including in-text and video cases, Internet activities, and interactive annotations--support students as they prepare for the rigors of contemporary management.
