Sinopsis

ISBN: 9780395554302

A four-volume series of paired activities, En parejas is designed to promote communicative skills. The books, graded in difficulty, encourage students to participate in everyday conversations in order to practice vocabulary and grammar structures. In each book, 25 realistic "information gap" activities based on illustrations and realia allow true communication to take place between partners. The individual books can stand alone or supplement any beginner/intermediate textbook.
