**Precio:** \$210.00

**Editorial:**

**Año:** 2004

**Tema:**

**Edición:** 1ª

**Sinopsis**

**ISBN:** 9781400033423

Morrison's earthy, poetic voice compliments perfectly the fantastical and mythical elements of Song Of Solomon. A world where fathers fly in clouds of rose petals, and women can cast spells. The text is perfectly suited for an audio rendition - as poetry, songs and the spoken word feature so heavily in the book.
