Sinopsis

ISBN: 9780521499248

The Cambridge Companion to Henry James provides a critical introduction to James's work. Throughout the major critical shifts of the last fifty years, and despite suspicions of the traditional high literary culture which was James's milieu, he has retained a powerful hold on readers and critics alike. All essays are written at a level free from technical jargon, designed to promote accessibility to the study of James and his work.
