Sinopsis

ISBN: 9780521549660

Wilkie Collins was one of the most popular writers of the nineteenth century. He is best known for *The Woman in White*, which inaugurated the sensation novel in the 1860s, and *The Moonstone*, one of the first detective novels; but he wrote over 20 novels, plays and short stories during a career that spanned four decades. This Companion offers a fascinating overview of Collins's writing. In a wide range of essays by leading scholars, it traces the development of his career, his position as a writer and his complex relation to contemporary cultural movements and debates. Collins's exploration of the tensions which lay beneath Victorian society is analysed through a variety of critical approaches. A chronology and guide to further reading are provided, making this book an indispensable guide for all those interested in Wilkie Collins and his work.
