Edición: 7ª

Sinopsis

ISBN: 9780071287982

Market-defining since it was first introduced, "International Business 5e" by Charles W. L. Hill, continues to set the standard for international business textbooks. In writing the book, Charles Hill draws on his expertise in teaching, writing, and consulting to create the most thorough, up-to-date, and thought-provoking text on the market. Because many issues in international business are complex, the text explores the pros and cons of economic theories, government policies, business strategies, organizational structures, etc. Hill's "International Business" goes beyond the often shallow explanations that other books offer, while maintaining a tight integrated flow between the chapters. Hill's book is practical in nature, focusing on the managerial implications of each topic on the actual practice of international business. The author's passion and enthusiasm for the international business arena is apparent on every page as he strives to make important theories interesting, informative, and accessible to all students. --This text refers to an out of print or unavailable edition of this title.

About the Author

Charles Hill received his Ph.D. in industrial organization economics from the University of Manchester's Institute of Science and Technology. He has received numerous awards for teaching excellence in both the undergraduate, MBA, and executive MBA programs at the University of Washington.
