Ubuntu is a complete, free operating system that emphasizes community, support, and ease of use without compromising speed, power, or flexibility. It's Linux for human beings_designed for everyone from computer novices to experts. Ubuntu 8.04 LTS (Long Term Support), a.k.a., "Hardy Heron," is the latest release_more powerful, more flexible, and friendlier than ever. The Official Ubuntu Book, Third Edition, will get you up and running quickly.

Written by expert leading Ubuntu community members, this book covers all you need to know to make the most of Ubuntu 8.04 LTS, whether you're a home user, small business user, server administrator, or programmer. The authors cover Ubuntu 8.04 LTS from start to finish: installation, configuration, desktop productivity, games, management, support, and much more. Among the many new topics covered in this edition: the new Edubuntu and the brand new Kubuntu Remix including KDE 4.
