For English as a Second Language courses or Freshman Orientation courses where English Language Learners could benefit from additional support as part of the program.

English Language Learners will help ELL students learn to develop good study habits and stay motivated while managing the psychological and social challenges of transitioning to college.

Moving away from home can be difficult for students from different cultural backgrounds. Students can learn to overcome these challenges by becoming aware of different cultural behaviors--and by maintaining a productive relationship and open dialogue with their peers and professors. This text will also help them to develop effective English skills in the areas of reading, writing, and listening--critical for ELLs to achieve academic and professional success.

Part of the Student Orientation Series (S.O.S.) consisting of various short booklets on special interest topics. These are an excellent source of in-depth information on specific topics--when assignments or the course focus requires more than just superficial coverage of the subject at hand.
