Sinopsis

ISBN: 9780439833783

Designed to both captivate and inform young readers, this fascinating series is a combination of biography, history, and science - featuring an innovative question-and-answer format, mix of photographs and illustrations, and interactive experiments.

Aviation enthusiasts will learn about Orville and Wilbur Wright - their favorite hobbies, how their interest in flying came about, and much more. Readers also learn about flight - from kites to gliders to jet planes.
