Behind the wonderfully amusing pictures, highly-expressive dinosaurs, and playful read-aloud verse, the answers to these questions can reveal youthful truths! Large type, large dinosaurs, and large smiles packed inside each title.

Just like kids, little dinosaurs hate being sick. And going to the doctor can be pretty scary. This prize-winning author and favorite illustrator team up to capture children's fears about being sick and put them to rest with playful read-aloud verse and wonderfully amusing pictures.
