Now, in a series of special editions, 24/7 turns its attention to the hot topics that are making headlines every day. 24/7: Behind the Headlines: Special Edition focuses on issues such as global warming, the war in Iraq, and the rise of China as a superpower. Drawing on articles from Scholastic's magazines, this subset uses 24/7's dynamic and appealing format to give students insight into the issues and events they need to understand in order to become engaged and responsible global citizens.
