Edición: 1^a

Sinopsis

ISBN: 9780415926508

Reception study is an important tool for understanding how readers encounter texts and absorb information. This up-to-date selection of the most important published work lays out the principles of reception study and its major theoreticians, and goes on to show how the method is being widely used in areas as varied as cultural studies, African-American studies, and the burgeoning field called the history of the book. This volume presents the only complete account of reception study today.
