Sinopsis

ISBN: 9780439221382

When the sun sets, night shift Daddy eats dinner with his little girl, reads a story, and tucks her snugly into bed.

When the sun rises he comes home and shares her breakfast. Then it's time for night shift Daddy to be tucked snugly into bed before his daughter goes out to play.

Parents and children alike will appreciate this warm and gentle verse about the special bond between a little girl and her father.
