Sinopsis

ISBN: 9781899874477

A comprehensive and spine-chilling collection of more than 200 detailed ghost stories associated with Scotland's many castles and great houses, including Edinburgh, Stirling, Fyvie, Crathes, Dunnottar, Neidpath, and hundreds more. Most of the sites can be visited, and visitor information is included. A map locates all the sites, plus there are numerous photos of the castles. There are tales of headless horsemen, sorrowful Green Ladies, murdered serving girls, men too evil to rest, portents of death, and even a phantom cannonball.
