"A story to make you believe in the soul-sustaining power of fiction."_Los Angeles Times Book Review

After the sinking of a cargo ship, a solitary lifeboat remains bobbing on the wild blue Pacific. The only survivors from the wreck are a sixteen-year-old boy named Pi, a hyena, a wounded zebra, an orangutan_and a 450-pound royal bengal tiger. The scene is set for one of the most extraordinary and beloved works of fiction in recent years.

Universally acclaimed upon publication, Life of Pi is a modern classic.
