International business law doesn't have to be a mystery. With its unique thematic approach, INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 7e, enables you to learn public and private law issues quickly and easily. From intellectual property to direct foreign investment, this student-friendly text explains issues in ways you can understand. Known for its current, comprehensive, and accurate coverage, the text balances the legal challenges of doing business in developing and nonmarket-economy countries with the economic and political issues that commonly arise. It also focuses on the transactional aspects of international business as well as on the legal, cultural, political, and economic environment affecting managerial decision making on a global scale. Packed with real-world examples, the text emphasizes ethics issues throughout, incorporates cutting-edge cases, and includes a companion Website that helps you maximize your study time.
