The PMBOK® Guide - Fourth Edition continues the tradition of excellence in project management with a standard that is even easier to understand and implement, with improved consistency and greater clarification.

What's new?

- !Standard language has been incorporated throughout the document to aid reader understanding.
 - !New data flow diagrams clarify inputs and outputs for each process.
 - !Greater attention has been placed on how Knowledge Areas integrate in the context of Initiating, Planning, Executing, Monitoring & Controlling, and Closing process groups.
 - !Two new processes are featured: Identify Stakeholders and Collect Requirements.
- Start meeting your standards for better project performance.
