PUNK: Chaos to Couture considers the vitality of the punk aesthetic and its impact on high fashion, from the do-it-yourself ethos of punk's originators to the perfection defined by its couture descendants.

"Punk has had an incendiary influence on fashion. Although punk's democracy stands in opposition to fashion's autocracy, designers continue to appropriate punk's visual vocabulary to capture its youthful rebelliousness and aggressive forcefulness." Andrew Bolton

"Punk was like nothing anybody had seen before, like nothing. Punk was fearless. Utterly fearless..."
