He motioned to the others to stop talking. Their faces froze in panic. Something had gone terribly wrong. Bird reached for the phone, his nerves shattered, his fingers thick and awkward on the keypad as he dialed Beef. A thousand scenarios raced through his mind. 'What's happened?' Bird's voice was tight, urgent. 'Get out,' Beef ordered. 'What's going on?' Bird pressed. 'Don't ask questions, just get out now!' Beef yelled. 'They're coming over to kill you'. 'We can't be infiltrated, no cops can get inside on us, they don't have the resources, the manpower, or the time to wait. We're unbeatable and untouchable' - Sonny Barger.
