Sinopsis

ISBN: 9780415246613

The Photography Reader is a comprehensive introduction to theories of photography; its production; and its uses and effects. Including articles by photographers from Edward Weston to Jo Spence, as well as key thinkers like Roland Barthes, Victor Burgin and Susan Sontag, the essays trace the development of ideas about photography. Each themed section features an editor's introduction setting ideas and debates in their historical and theoretical context.
