Sinopsis

ISBN: 9781455745890

Featuring an array of coloring and labeling activities, Dental Anatomy Coloring Book, 2nd Edition, provides an easy, fun, and effective way to memorize the structures of the head and neck region as well as the basic body systems affecting dentistry. Each chapter includes several images that you are asked to color and connect with corresponding labels. This edition adds more illustrations and NEW review questions with references to specific chapters in core textbooks where more in-depth explanations can be found. Developed by Margaret Fehrenbach, a nationally renowned authority in dental professional education, this coloring book makes it easier to identify anatomical landmarks and understand the complex interrelationships involved in dental anatomy and physiology
