Sinopsis

This book contains stunning images for use as a graphic resource, or inspiration. Paisley patterns are a recurring fashion theme. During the 1960s they were very popular in a then new, stylized form, often in very bright colour scheme. All the illustrations are stored in high-resolution format on the enclosed free CD-ROM and are ready to use for professional quality printed media and web page design. The pictures can also be used to produce postcards, or to decorate your letters, flyers, etc. They can be imported directly from the CD into most design, image- manipulation, illustration, word-processing and e-mail programs; no installation is required
