Sinopsis

ISBN: 9780393932386

A substantial revision of an already successful text, the Third Edition of Essentials of Geology combines an accurate and engaging narrative with exceptional visual and pedagogical elements. It is supported by a complete learning and teaching package. Innovative media, such as Geotours_which take students on virtual field trips using Google EarthÖ_make it possible for instructors to bring real-world geology to life in the classroom.
