Sinopsis

ISBN: 9780691132921

Reading Daron Acemoglu's massive and masterly survey makes me feel like one of the Wright brothers coming face to face with a Boeing 747 for the first time. The range is enormous, from the simplest model to the political economy of growth, and everything is traced back to fundamentals with great skill and care. Being stranded on a desert island with this book and a large pad of paper would be a pleasure.
