Sinopsis

ISBN: 9780877795001

Finally, a reliable dictionary that is small enough to keep on hand at all times, but comprehensive enough to provide all the information you need about words. It provides concise, accurate definitions, contains 40,000 entries, and is filled with features usually found only in larger dictionaries, such as end-of-line divisions, pronunciations, part-of-speech labels, inflected forms, and a brief guide to punctuation.
