First Apple-certified training courseware for the popular new GarageBand music creation and recording software. GarageBand turns your Mac into an anytime, anywhere recording studio packed with hundreds of instruments and a recording engineer or two for good measure. It's the easiest way to create, perform, and record your own music whether you're an accomplished player or just wish you were a rock star. Apple Training Series: GarageBand will take readers through everything they need to know within the book and CD combo in GarageBand. GarageBand turns your Mac into a digital recording studio--complete with instruments, pre-recorded loops, amps, effects, and editing tools. Why, you'll even find virtual recording engineers in the mix to help you out. You'll be spinning the music of the spheres in no time.
