**Año:** 2006

**Tema:**

**Edición:** 1<sup>a</sup>

**Sinopsis**

**ISBN:**

As early as the 17th century, serials publication was inextricably linked to the most current developments in nearly all fields of human endeavor. Even today, serials constitute the single most important vehicle for global scholarly communication. However, the past 20 years have shown an increasing tension among the vested interests of authors, publishers, vendors, and, of course, librarians.
