Sinopsis

ISBN: 9780131404120

Covering the entire field of advertising with special emphasis on IMC and new technologies, it places advertising within a contemporary, integrated marketing framework to demonstrate how advertising must be coordinated with all other aspects of marketing communications. The book covers four basic concept of advertising: the place of advertising, planning the advertising, managing the advertising, and media. Account people and creative people in the field of marketing communication, branding, integrated communications, and new media advertising.
