**Sinopsis**

**ISBN:** 8495951428

From 2003, the European Union Prize for Contemporary Architecture (Mies van der Rohe Award) explored the topic of an 'Old Europe' that had begun to show strong signs of renewed vitality. This vitality is reflected in the diversity and number of countries that appear among the finalists of the 2003 competition, and also in the incredibly high caliber of short-listed candidates. The winning project was awarded to Zaha Hadid for her tram station in Strasbourg.
