**Título:** An Introduction To The Theory Of Numbers

**Autor:** Niven / Zuckerman / Montgomery

**Precio:** \$728.00

**Editorial:**

**Año:** 1991

**Tema:**

**Edición:** 5ª

**Sinopsis**

**ISBN:** 9780471625469

This undergraduate textbook describes the computational aspects of number theory, such as techniques of factoring. Problems of varying difficulty are used throughout the text to aid comprehension.
