Sinopsis

ISBN: 9780071262378

About this title: One of the foremost leaders in project management theory, Dr. David Cleveland, introduces the latest state-of-the-art team design and project life cycle evaluation. Focusing on the use of flexible teams to implement an organization's strategic positions, this book also looks at the forefront of project management design. In addition, the latest state-of-the-art practices and procedures in team, design, and project life cycle evaluation are included.
