Sinopsis

ISBN: 9780536176158

The 2007 Level I CFA Program curriculum is organized into topic areas. Each topic area begins with a topic level learning outcome that summarizes the broad objective of the material to follow and indicates the depth of knowledge expected. Each topic area is then divided into one or more study sessions, each devoted to a sub-topic (or group of sub-topics) within that topic area.
