Sinopsis

ISBN: 9783823845874

The variety and flux of Milan's restaurant scene matches the eclecticism and dynamism of the city itself. Whether classical in design or furnished in the highest of high-tech style, Milan's restaurants offer the widest range of dining experiences available in a single city, with ambience to suit every taste. Another title in teNeues' recently launched series, this flexi-bound guide to the coolest restaurants in Milan features over a 130 full color photos.
