**Sinopsis**

**ISBN:** 9780826485144

Pellauer offers a dense, chronological summary...To get a sense of Ricoeur's body of work--essentially an evolving and complex philosophical anthropology - in Pellauer's compressed work is valuable...This volume is a good review for those who know the work of Ricoeur...Summing Up: Recommended. Lower-level undergraduates and above." -- R. Severson. CHOICE, July 2008

David Pellauer brings his comprehensive and penetrating Ricoeur scholarship to bear on the full spectrum of Ricoeur's books. This overview is written in a clear narrative style which shows the Ricoeur corpus in its rich fullness ... Now that the canon is closed, this is a timely book. -- Don Ihde, Distinguished Professor of Philosophy, Stony Brook University, USA
