**Edición:** 2ª

**Sinopsis**

**ISBN:** 9780415266062

The Indian religion of Jainism, whose central tenet involves non-violence to all creatures, is one of the world's oldest and least-understood faiths. Dundas looks at Jainism in its social and doctrinal context, its history, sects, scriptures and ritual, and describes how the Jains have, over two and a half thousand years, defined themselves as a unique religious community. This revised and expanded edition takes account of new research into Jainism.
