Sinopsis

ISBN: 9781859419373

More than merely describing developments in the field of civil liberties and human rights, this comprehensive and challenging textbook provides students with detailed and thought-provoking coverage and analysis of the impact of the Human Rights Act 1998 in an era in which human rights are coming increasingly under pressure.

Extensively re-written and updated since the last edition, Helen Fenwick considers the impact of the Human Rights Act 1998, paying particular attention to Labour legislation, especially in the fields of criminal justice and terrorism.
