**Sinopsis**

**ISBN:** 9780688128975

Lilly the mouse adores her teacher Mr. Slinger - until he takes away the purple plastic purse she was proudly showing off to her class. Lilly is so angry she draws a nasty picture of Mr. Slinger and slips it in his bag. At the end of the day, Lilly gets her purse back, and inside is a sympathetic note and a bag of treats. As in all his other books, Henkes shows an incredible sensitivity to children's feelings.
