This great source of information provides readers with a highly accessible wealth of data about the United States and the world. Drawing on the resources of the world's premiere news organization, and featuring reports by leading Times writers, it provides in-depth national and international coverage of politics, education, health, medicine, the economy, the environment, science, technology, awards and prizes, sports, and a host of other topics. The New York Times Almanac is the first choice for students, writers, researchers, and anyone who needs accurate, timely facts at their fingertips.
